The U.S. Environmental Protection Agency (EPA) Region 7 will accept applications for the summer 2010 Student Temporary Employment Program from March 29, 2010 through April 12, 2010.

**Time Frames and Location:** Summer program: May 23, 2010 not to exceed September 30, 2010. Positions will be located in the EPA Region 7 Office or Laboratory in Kansas City, Kansas.

**Qualification Requirements:** Applicants must be U.S. citizens and at least age 16 by entry on duty date. Applicants must be accepted for enrollment, or enrolled, as a degree (diploma, certificate, etc.) student in high school or an accredited technical or vocational school, 2-year or 4-year college or university, graduate or professional school and have at least a 2.0 GPA. If the student is enrolled, they must be taking at least a half-time course load.

**Pay Scale:** Pay is based on Qualifying Educational Level and the corresponding Government Grade. Range: GS: 1 – GS: 5 ($9.74/hour – $15.00/hour).

**How to Apply:** The student vacancy announcement will be available March 29, 2010 through April 12, 2010 at [www.usajobs.gov](http://www.usajobs.gov). At the Web site, you can locate the announcement through the following steps: 1) Search Jobs Tab; 2) Refine Your Results; 3) Agencies (Environmental Protection Agency); 4) Where/location (Kansas City, KS); 5) Announcement number: EPA R7 Summer 2010.

All applicants will be required to submit:
- A resume describing past/present school and work/volunteer experience
- A cover letter expressing interest in working at U.S. EPA Region 7, the type of work you are interested in doing, and your availability
- A copy of your most recent transcripts (official or unofficial)
- For college students or graduating high school seniors, a copy of your letter of enrollment/acceptance OR a copy of your upcoming school schedule
- Veterans must submit a DD-214 or other veteran documentation to verify their service

Please read the student vacancy announcement carefully for instructions on “How to Apply” and to ensure all of the required information is submitted by the closing date of the announcement.

Individuals with disabilities are encouraged to apply.
